

February , 2016

To: Northwest Area Chapter Presidents and National Directors

From: Northwest Area Nominating Committee

Each year, Chapters are contacted to suggest potential leaders to manage FMCA Northwest Area by serving as one of the vice presidents (including a senior VP), secretary or treasurer. They are led by the Northwest National Vice President who in effect represents all the Chapters in the Region.

Their role is to organize and manage annual Area rallies and assist with International events. The purpose is to provide fun and camaraderie to people who enjoy the common interest of motorhome travel by:

- (a) Socialization with others;
- (b) Having opportunities to learn more about RV'ing via exhibits and seminars; and
- (c) Topping off with quality entertainment.

These events also contribute to Chapter development through personal interactions, disseminating information, and forming and strengthening friendships.

This September **Two (2) Vice President** positions and the **Treasurer's** position are up for election. A **Nominating Committee** will also be elected. Your recommendations are wanted for potential candidates who can continue providing leadership to achieve the above activities.

Please feel free to discuss possibilities or have questions answered with any member of the Nominating Committee. They can be reached as listed below.

Those willing to become a prospective candidate are requested to complete and **submit** the attached **Form and provide a Short Resume** to the Nominating Committee no later than **August 1, 2016**.

Your support and recommendations are sought.

Your Nominating Committee.
