To: Northwest Area Chapter Presidents and National Directors
and Alternate National Directors
From: Jerry Lehenbauer , Chair
Northwest Area Nominating Committee

Each year, Chapters are contacted to suggest potential leaders to manage FMCA Northwest Area by serving as one of the vice presidents (including a senior VP), secretary or treasurer. They are led by the Northwest National Vice President Kathie Balogh, who in effect represents all the Chapters in the Region.

Their role is to organize and manage Area rallies and assist with International events. The purpose is to provide fun and camaraderie to people who enjoy the common interest of RV travel by :

- socialization with others
- having opportunities to learn more about RV'ing via exhibits and seminars ; and
- topping off with quality entertainment
