Precinct Committee Officer, RNC

NAPS officer/Union Representative and lobbyist to congress.

Chairman of the Elder Board East Renton Community Church, (ERCC)

Youth Coach, Adult Education Teacher. ERCC

Adult Christian education (Alpha) Calvary Community Church

I retired in January 2005 in Seattle as a manager of the United States Postal Service after 31 years. Prior to that I was and am a veteran of the USAF for 4 years. I am a father of 2 wonderful children and have a 16 year old grand-daughter. I am a transplant from the state of Kansas but have lived here in Washington state for over 50 years. I met my amazing wife Dana in 1998, and we were married in 2001. Since then we have worked together as a successful team in whatever endeavor we take on, including as volunteers to and support of the NW Area FMCA. We have been enjoying the motorhome lifestyle for 16 years with the purchase of our first motorhome in 2002. We purchased a new diesel coach in 2008 and joined FMCA and the Puget Sounders chapter in 2010. After hosting and co-hosting several rallies for the Puget Sounders, Dana and I were asked and accepted to serve as officers of the chapter in 2012.

Throughout my life it has been my goal to serve my community and to give back what I have been blessed with. It is my goal to support the various endeavors of the executive board and to assist them in maintaining the vitality and growth of our FMCA NW Area, and FMCA.

I am a firm believer in communication, commitment and cooperation, and should I receive your vote for Vice President that is what you will receive.
