Northwest Area VP:

The strength of an organization is in its leadership and members. The position of Vice President is to support the President in the administration and service to FMCA, to work closely with the other officers, and to communicate with and represent the best interests of FMCA to the membership.

Goals as Northwest Area Vice President:

Attend Northwest Area board and planning meetings

Appoint committees to address relevant issues and topics

Promote and maintain a friendly atmosphere

Create and maintain a good rapport with all northwest area chapters

Encourage membership involvement in the chapter and northwest area functions

Partnering with northwest area recreational vehicle retailers, organizations, businesses and manufacturers in an effort to increase FMCA presence

Promote the advantages of FMCA membership to new and prospective RV buyers

Promote chapter rally support of local communities

Encourage chapter support of charitable organizations

I respectfully submit this application for the office of Northwest Area Vice President

Walt Haynes
