## Background:

In the Corporate world I was an Administrative Assistant to a Vice President of a major corporation in Silicon Valley, dealing with commercial and military contracts. I had a key role in implementing a universal manufacturing system. I kept accurate documentation records for HR and all government contracts. During this time, I supported multiple Vice Presidents, Managers, Supervisors and Engineers.

While working full time I also served in the:

San Joaquin Yacht Club 1985-1998, as Secretary, Fleet Captain, Rear Commodore, Vice Commodore, Commodore, and Past Commodore.

International Order of Blue Gavel, Delta District #19 1997-1999 - Newsletter Editor,  
International Order of Blue Gavel, District #1 Supply Officer, Secretary, 2<sup>nd</sup> VP and 1<sup>st</sup> VP  
International Supply Officer, entire US for 4 years which entailed taking supplies to all functions throughout the US. Ordered all supplies from vendors worldwide and was responsible for filling orders for members throughout the US.

I am married, the mother of 3, 2 of whom are FMCA members.

My special interests include reading, sewing, scrapbooking, and travel. My bucket list is to visit all the units in the National Park System. I have given park seminars at FMCA rallies, my local library and taught a 3-week course at my local Senior College.

I enjoy working with the public and interacting with people from all social classes. Everyone brings something to the table. I would like to see FMCA, and the NWA grow in numbers. I enjoy talking with people and can find common topics to discuss. I have been instrumental in bringing multiple members into the FMCA family and into the Puget Sounders Chapter.
