The 109th International Convention & RV Expo will be from August 14-17, 2024, at the Deschutes County Fairgrounds. FMCA has hosted five previous successful events, the last one was in 2014. There will be attendees from all areas across the United States and Canada.

Because this convention will be held in our Northwest Area, we will be the host for this convention. There will be a need for many volunteers.

We are already planning for the Redmond Convention. At our Albany Business/Planning meeting that took place on September 19-21, 2023, the Captains were chosen and plans were discussed. We will need many volunteers to assist FMCA in making the convention a success. Chapters can volunteer and work as a group. The **Volunteer Coordinators** are Cindy & Walt Haynes (cwhaynes2@msn.com). If you or your chapter would like to volunteer at the FMCA Redmond 2024 Convention, please contact Cindy or Walt.

Our next planning meeting will be in Albany, Oregon on April 22-24, 2024. Each chapter can send 2 representatives with spouses to help plan this big event. It is an honor to have the Northwest Area as the host for the FMCA International Convention and we want it to be a huge success.
